

# Feeling Stressed

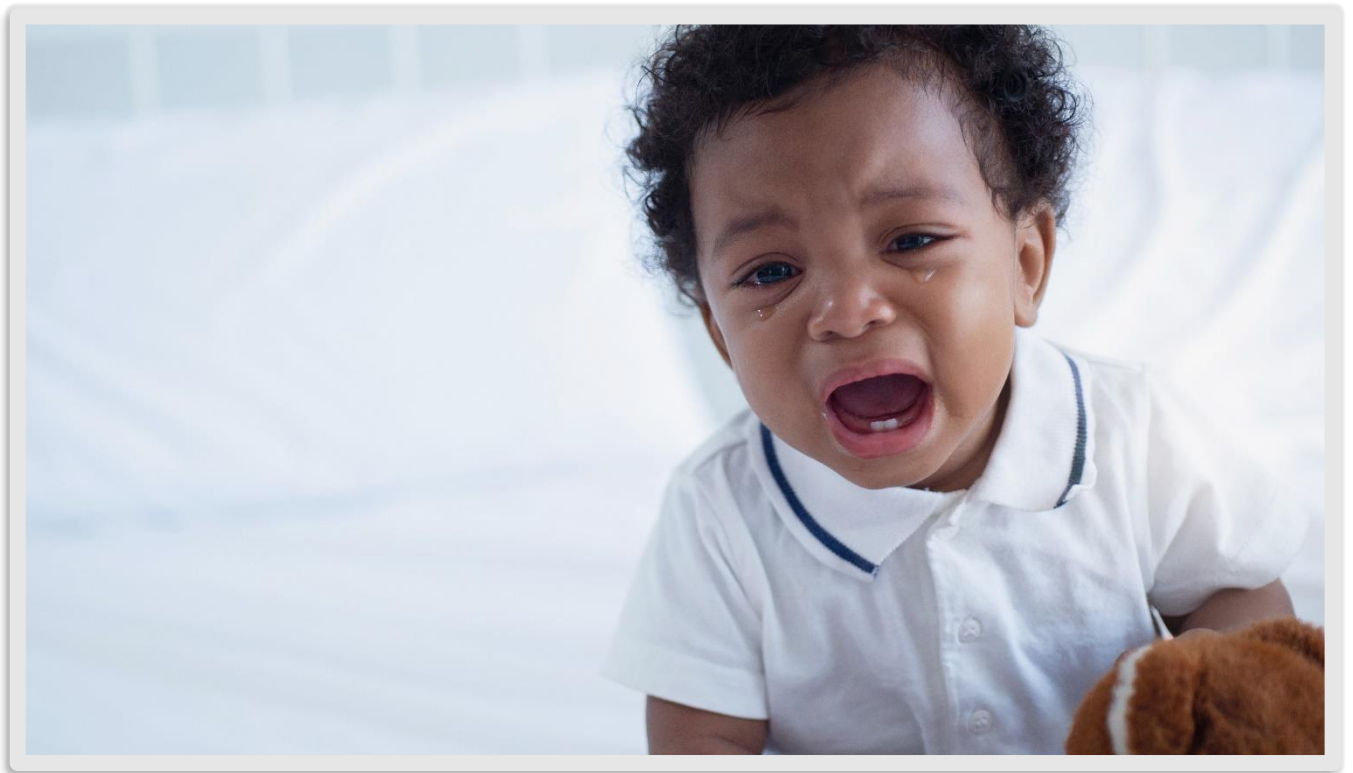

Neela is a student at an English school.

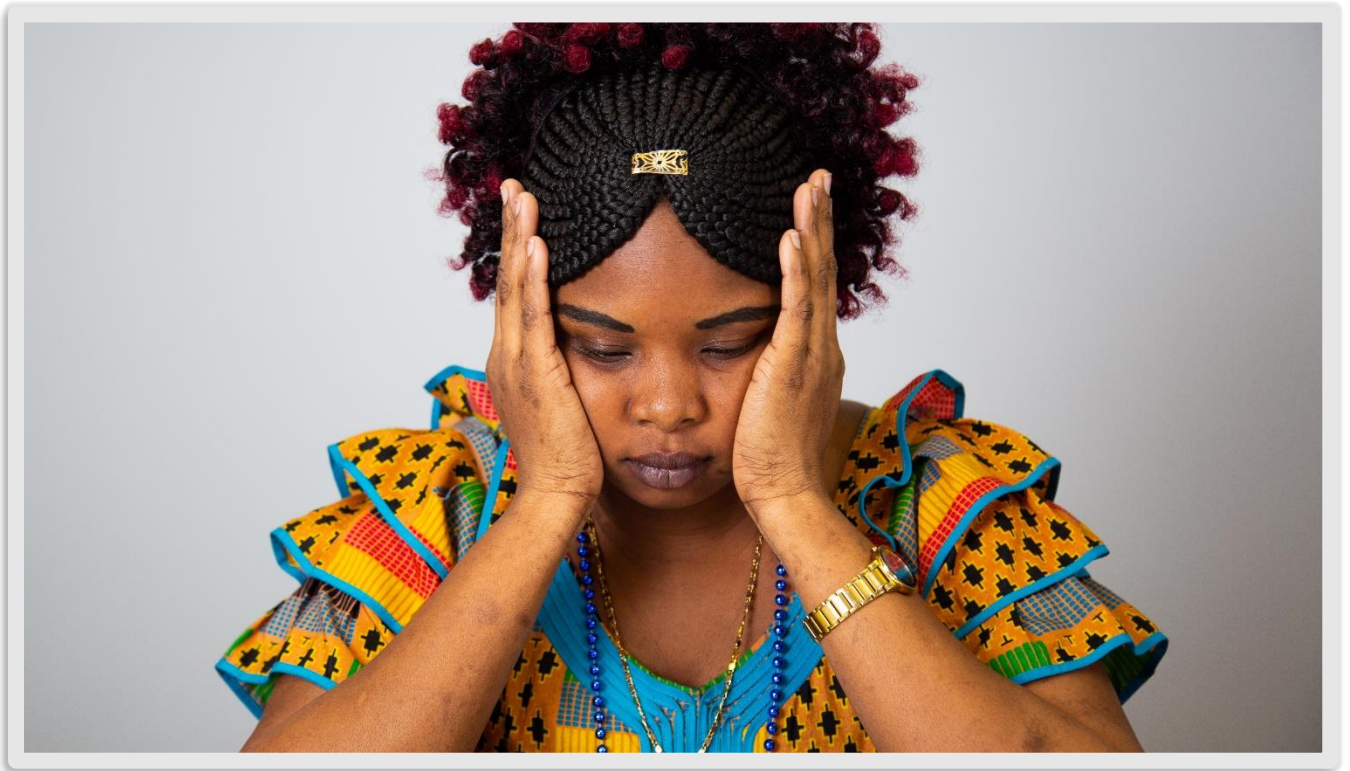

She also has a ten-month-old son.

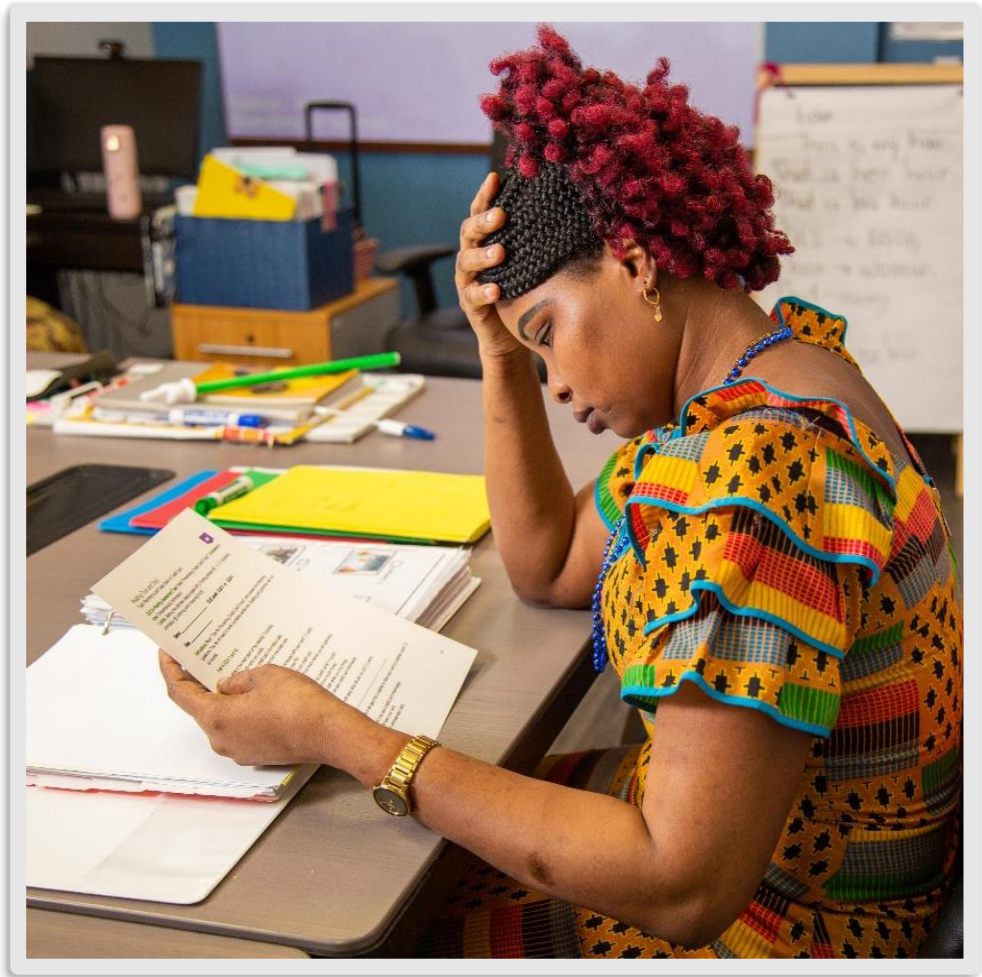

Her baby is sick and has not been sleeping well.

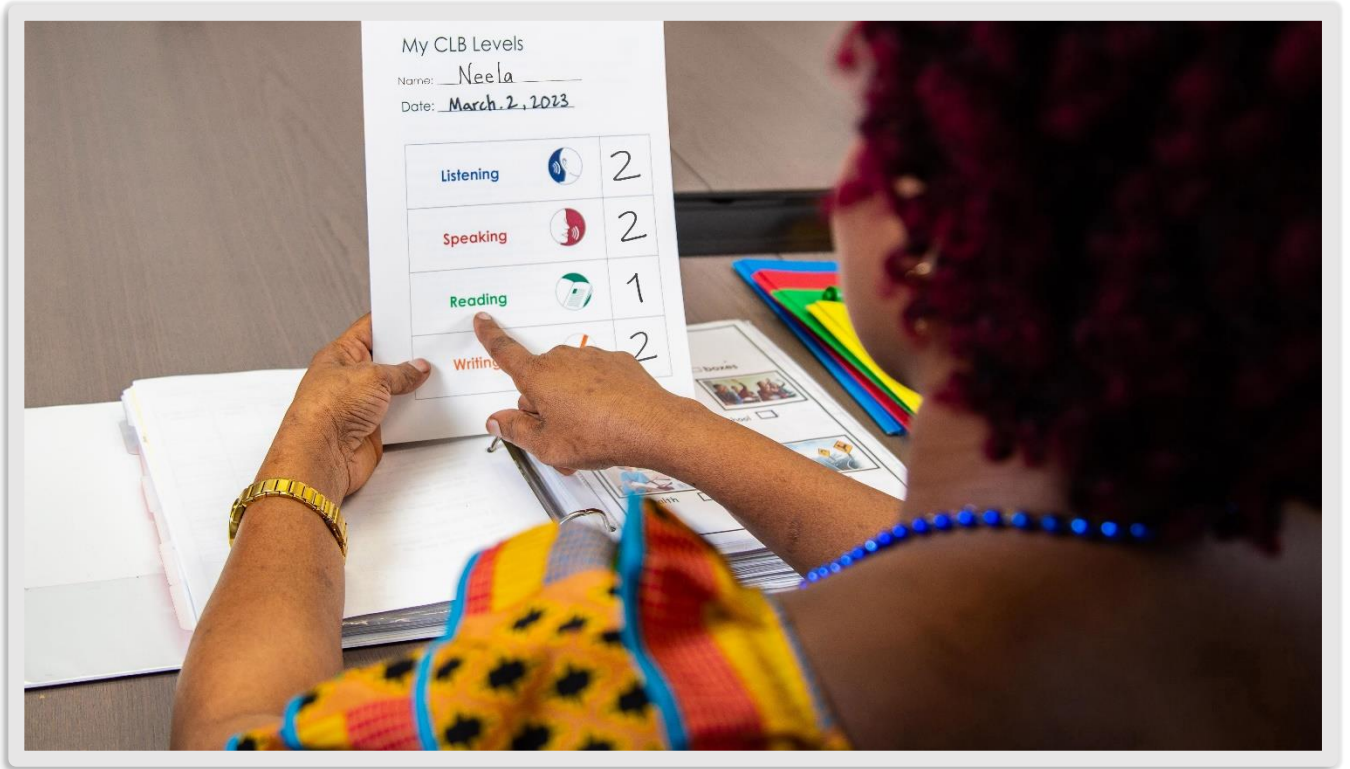

When Neela gets to school, she is very tired.

It has been hard for her to study.

She is feeling stressed because she has a reading test.

She needs to pass the test to move to level three.

Neela takes a deep breath in and out.

She is ready to try her best.

She re-reads the questions and takes her time.

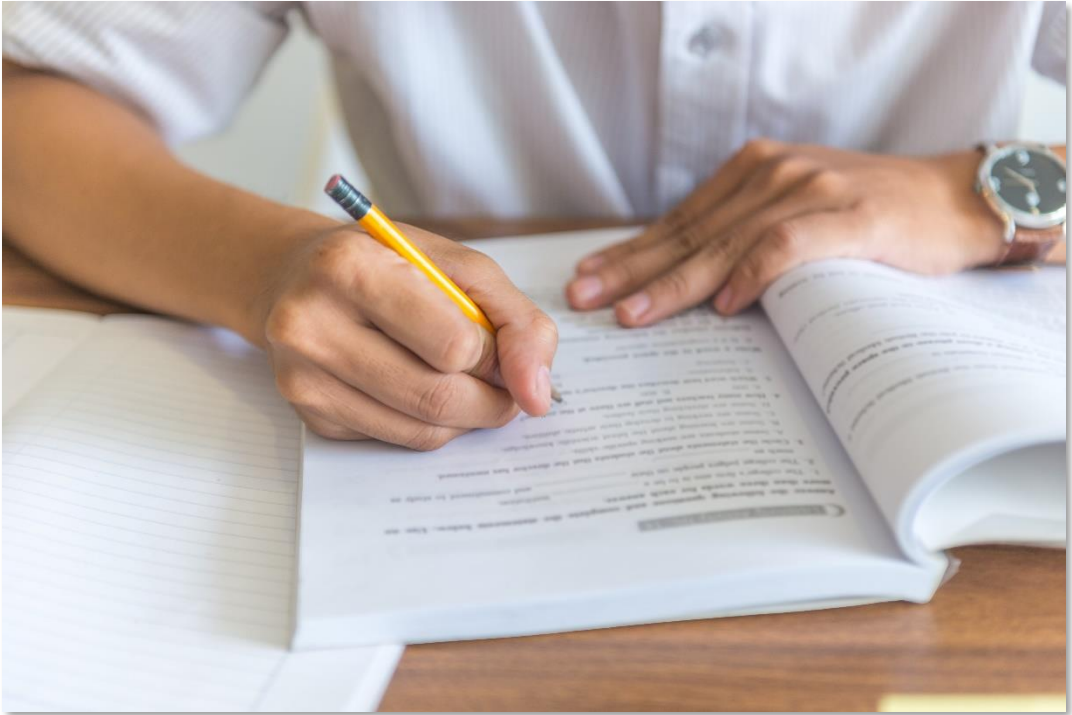

She checks her answers at the end.

Neela did her best on the reading test.
