

Grocery Budget

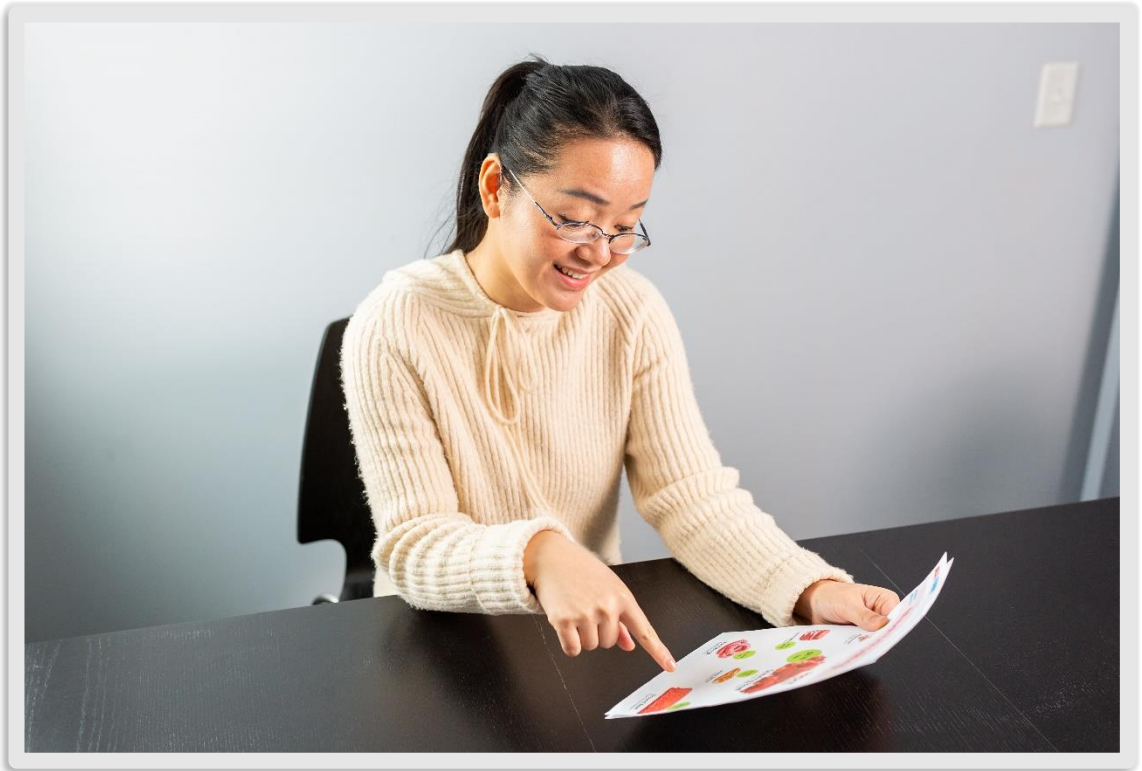

Alisa is spending too much money at the grocery store.

Last month her grocery bills were fifty dollars over budget.

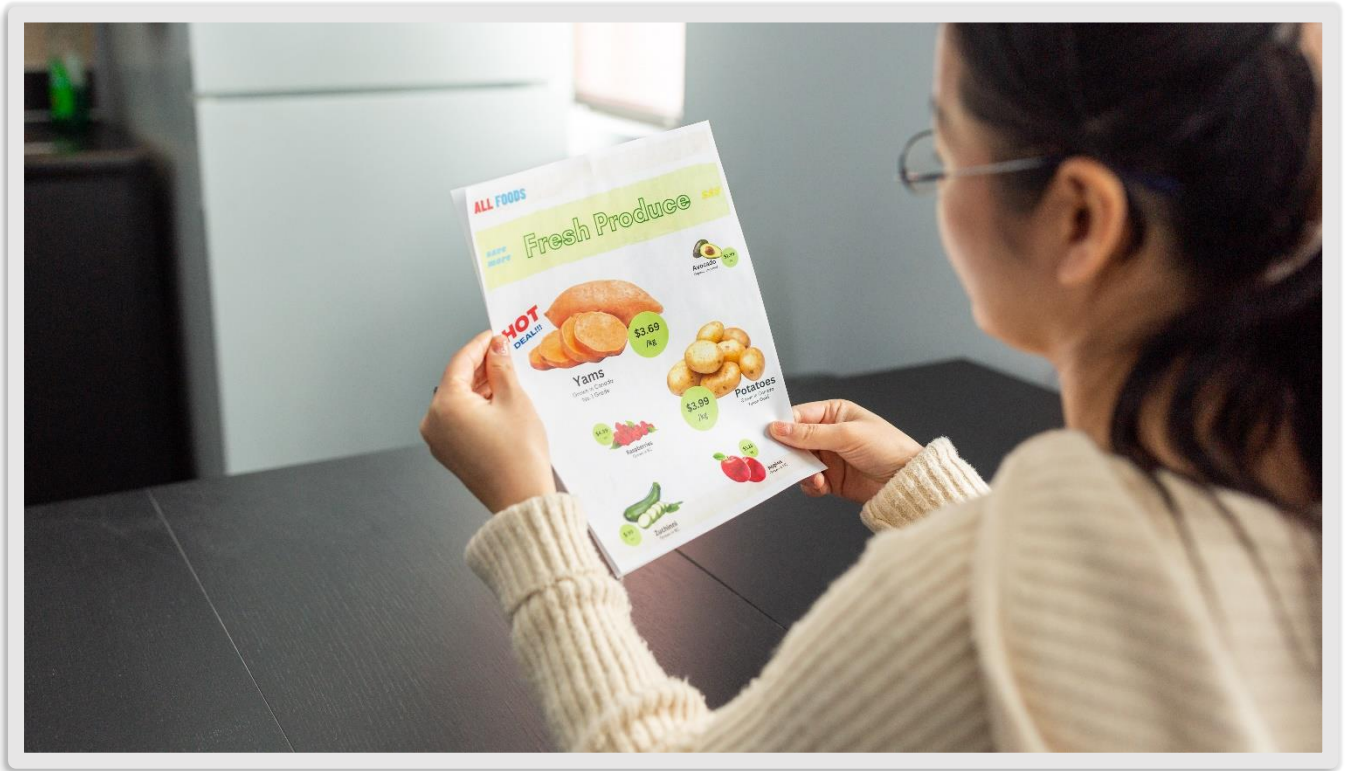

She will try to save money this month because food costs a lot.

First she checks the grocery store flyers for sales and sees some good prices.

There is a deal on fresh stewing beef.

Then she checks to see what produce is on sale.

She sees yams are cheaper than potatoes.

Maybe she could make beef
stew with yams.

Alisa makes a shopping list and will go to the store tomorrow.

She has a plan and now she can stay on budget.
